University of Wisconsin Furlough Information

The recently passed Wisconsin State budget includes a mandatory furlough plan for all state employees, including the faculty and staff at the Fundus Photograph Reading Center (FPRC). The plan requires each employee to take eight (8) furlough days for each of the next two (2) fiscal years (01 July – 30 June).

Four (4) furlough days per year are at the discretion of the employee and employer and will not affect turnaround time for deliverables for your study. However, four (4) furlough days have been mandated by the University of Wisconsin System. The FPRC will be closed for business on those days. This may affect turnaround time for deliverables for your study. Mandatory furlough days are listed in the table below
